The **Electronic Federal Tax Payment System** is a secure payment system provided free by the U.S. Department of Treasury. The system is available 24 hours a day, 7 days a week to pay all your federal taxes electronically.

The IRS will be eliminating the use of paper 8109 coupons after December 31, 2010. You will be required to make all Federal tax payments via internet or telephone. Not having access to the internet is not a valid reason for not enrolling. Avoid last minute registration and late filing worries and enroll **NOW**.

There are two ways to enroll: online or paper filing by mail.

To register online:

1. Go to <https://www.eftps.gov/eftps/>
2. Click on ENROLLMENT (top left corner)
3. Select the option that you are enrolling as a business, read over the information and click NEXT at the bottom of the screen.
4. Read the Privacy Act and paperwork Reduction Act Information and click "accept"
5. Continue thru the necessary screens to enter your business information like your Name, EIN number, and Contact Information.
6. Additionally, through the enrollment process you will need to enter your banking information.
7. Follow thru until all necessary screens are completed.
8. You will not be able to use this system immediately to pay your federal taxes. You will get a Pin number in the mail within 15 days to finish activating your on-line registration.

To register by mail:

1. Complete the attached Form 9779 and mail to the enrollment processing center.
2. The "Tax Form Payment Amount Limits" section does NOT need to be filled out.

Note: The payment method you will select is EFTPS (by internet and/or phone).

After successful enrollment you will receive a confirmation packet and a separate mailing with your PIN. Once you receive your PIN, please contact our office so that we can show you how easy it is to make a payment online or by phone.

Payment Information

8. Payment Method. Choose the payment method(s) by placing an "X" in the box(es). The options available are: EFTPS using the Internet or phone and EFTPS through a Financial Institution. Both EFTPS input methods are interchangeable: Internet and phone.

8. Payment Method
 EFTPS (by Internet and/or phone): check here if you will instruct EFTPS to transfer payment from your account.
 EFTPS (through a Financial Institution): check here if you will instruct your financial institution to forward the payment to EFTPS. You must check with your financial institution to determine if they are capable of providing this service.
NOTE: If you will only be using EFTPS through your Financial Institution as a payment method, skip to item #23.

 **Note: For EFTPS (using the Internet or phone), complete the additional information required about your financial institution. Enrollment will automatically enroll you for EFTPS through a Financial Institution as well as Same-Day Payment.**

For EFTPS (through a Financial Institution), you initiate a tax payment through a financial institution. You must contact your financial institution to insure the institution is capable of making an EFTPS payment through the Automated Clearing House (ACH) or a Same-Day Payment method. If you enroll for EFTPS through a Financial Institution or Same-Day Payment, you may also enroll for EFTPS using the Internet or phone by providing the financial institution information requested on items 19 through 23.
